

LETTER FROM THE EXECUTIVE DIRECTOR

Dear Hoosiers:

The Hoosier Lottery continued to fulfill its mission in fiscal year 2016 by generating important funds for the State of Indiana in a socially responsible way. Since the citizens of Indiana approved a state-sponsored lottery in 1988, the Hoosier Lottery has contributed more than \$5 billion to the State of Indiana. Over these past years, the Legislature has appropriated these funds for a variety of public improvement projects and programs that have benefited all parts of our state.

Following laws passed in 1989, revenue from the Hoosier Lottery supports the Indiana Teachers' Retirement Fund and local police and firefighters' pension funds, each receiving \$30 million, annually. The remaining revenues go to the Build Indiana Fund primarily to support as much as a 50% reduction in auto excise taxes for all Hoosiers. These funds are distributed to Indiana's counties to offset the revenue lost from the reduced excise tax.

I am pleased to report that in FY 2016, the Hoosier Lottery achieved a record net income of \$290 million. The unprecedented contribution to the State of Indiana was generated by a record \$1.2 billion in sales of Lottery products. Prize winners were paid \$772 million and our retail sales partners were paid \$82 million in commissions. On July 8, 2016 a winning Mega Millions ticket was sold to a Hoosier at a retailer in Cambridge City, IN. This \$536 million jackpot was the seventh largest jackpot in the history of American lotteries.

An important contributor to the financial success of this past year is our business relationship with IGT Indiana. While the State Lottery Commission retains full oversight of all Hoosier Lottery operations, a unique integrated services agreement assigns IGT Indiana responsibilities for the development and distribution of all lottery products and the supporting sales, marketing and promotional efforts. The State Lottery Commission retains all financial management, prize payment, retailer licensing and security functions. Working together, the Lottery Commission and IGT Indiana have introduced popular games that Hoosiers have enjoyed playing and winning and thereby generating this record amount of funds for the State of Indiana.

Another significant goal was our continued promotion of responsible gaming. In January, the Hoosier Lottery's responsible gaming program earned the highest ranking from the World Lottery Association. Our ever-present messaging about responsible gaming in all of our sales, promotional and general communication as well as other educational efforts helped the Hoosier Lottery become only the second lottery in the United States to achieve this status.

We are proud to share the attached financial information that documents our great performance and the benefits provided for all of Indiana by the Hoosier Lottery. All of us at the Hoosier Lottery are committed to building on this success to generate even more revenue for the State of Indiana in the years to come.

Sincerely,

Sarah M. Taylor

Executive Director of the Hoosier Lottery

Sarah M. Jaylor
